I loved this experience and I would want <sup>the</sup> maximum no. of people to continue this work. I have learnt a bit of farming, digging and weeding too. A great setup which is essential for our India to grow. Great job!

~~108-J~~ 108-J

Every minute, I had an indescribable satisfying feeling and ~~and~~ it was a more than usually helpful experience because I was motivated to practise recycling at home as well as other social service.

~~465-K~~ 465-K

First time experience. I would like to do projects like these more often.

~~229-K~~ 229-K

First time experience of social <sup>service</sup> on mountain. Very satisfied and ~~learned a lot~~.

~~475-K~~ 475-K

I felt the it is the perfect way to end a tiring term and starting vacation. I was very satisfied.

It was the smiles on all their faces that  
mattered.

Happy to work with the  
motivated lot of youngsters.

May God bring all your  
dreams come true!

Need Hard work will definitely  
flourish
